Board-O-Gram #2018-17

Fawn Lake Country Club is fortunate to have an experienced workforce dedicated to providing our membership a high level of service. Once a year, the membership has the opportunity to demonstrate its appreciation for their hard work and commitment in the form of a contribution to the Employee Appreciation Fund. Except for the senior management staff (Bret Shifflett, Dave Smith, Drew Falvey, Kevin Cretella, Heather Allen, and Sarah Hollars), each employee receives a cash contribution from the fund. The individual holiday “bonuses” are calculated using an equitable formula administered by the Board of Directors.

This year, we are asking Club members to make a voluntary \$25 contribution to the Employee Appreciation Fund. To make it easy, we will add \$25.00 to your December 1st statement as a suggested contribution. If you wish, you may increase, decrease, or eliminate the charge from your bill. Members who wish to make a change should contact Sarah Hollars at shollars@fawnlakecc.com or 540-972-8658.

Fawn Lake Country Club is blessed with remarkably varied, talented, and dedicated staff. Our Club’s success and reputation is in large measure due to their hard work. Please join us in recognizing their efforts in a manner you deem appropriate. (The Fawn Lake Country Club Employee Appreciation Fund is separate and distinct from the FLCA employee holiday fund for which you may receive or have already received a request).

Thank you,

Your Board of Directors
