Board-O-Gram #2018-19

The Fawn Lake Country Club Board of Directors, together with the General Manager, would like to announce the departure of our Director of Tennis, Kevin Cretella. Kevin has led our tennis program for the past two seasons and we greatly appreciate the commitment he made to our tennis membership. We wish him all the best in his future endeavors.

Our tennis courts are scheduled to close due to weather on Monday, November 26th. If temperatures improve over the holiday weekend, we hope your family will take advantage of our last weekend of play on our clay courts. We anticipate opening the tennis courts the first week of April as usual, dependent on weather in the spring.

Our FLCC Board of Directors, General Manager, and Tennis Committee are continuing to build the type of tennis program that our membership requested via the tennis survey completed a year ago. This winter's off-season will be spent updating goals for the 2019 program and selecting the new leadership needed to reach those goals. As with all of our programs, we will continue to update the membership on our progress in anticipation of our early-April target opening.

Thank you,

Your Board of Directors
