Board-O-Gram 2019-1

To FLCC Members & Staff:

The 2019 Fawn Lake Country Club Board of Directors is in place and ready to serve you. The composition of our board is different than originally elected. The three newly elected board members announced at November's Annual Membership Meeting have chosen not to serve. Kathy Flanagan, Kevin McCarthy, and Ron Morris have each for personal reasons resigned their positions on the board. We are thankful for their continued membership and support of our Club. Also, Tim Powers has decided to step down from the board, vacating his board seat for the final year of his three-year term. We thank Tim for his service to the Club and look forward to his continued involvement as an active member.

In accordance with the By-Laws, new board members have been appointed to fill these vacated positions through December 31, 2019. These will become open positions to be filled during the election process for new board members and successful candidates will be announced at the Annual Membership Meeting in November. The 2019 board appointments are Deborah McManus, Michael Woodcock (both returning to the board), Brett DeGallery and Fred Jenne (both joining the board for the first time).

Brett DeGallery and his wife Tonya moved to Fawn Lake in May 2000 and have been members of the club for 18-years. They have 4 boys aged 20, 17, 15, 12 and are Full Golf members. Brett graduated from the United States Air Force Academy and served 10 years on active duty and 10 years in the Air Force Reserve before retiring in 2009. He is currently a commercial pilot for JetBlue Airways and conducts interviews

for the Air Force Academy. In the Fawn Lake community, he was the Commodore of the Yacht Club for 2 years (2007-2008) and is active with his family in other community groups, like Ski Club and Jr PGA. Brett worked with several HOA committees and served 3 years on the FLCA Board of Directors (2010-2012, during the HOA acquisition of the Country Club). He also spent 2 years on the Board of Directors for Asset Management, LLC. Brett's experience and leadership ability make him a great addition to the Board and we are thankful for his service.

Fred Jenne and his wife Seungok have been active members of the Club for the past 7 years. Fred's local interests are tennis, water skiing, and biking, and he competes internationally as a world-class downhill skier. Many know Fred for the talent and energy he brings to the tennis courts and we are excited he will be bringing all of that talent and energy to the board. Fred has served on the Tennis Committee for many years and will be working to ensure our tennis program continues on a positive trajectory. Professionally, Fred's career provided many years of executive experience that he plans to leverage to assist and advise the FLCC Board.

The new Board of Directors held their first meeting on January 2nd.
