Board O' Gram 2019 - 17: Open House for Prospective Members

As many of you are aware, Fawn Lake Country Club held an Open House this past June showcasing golf, tennis and the Harbor Club with the intent of attracting new members from within and outside the community. We were very pleased to secure six new members on the spot, one Social, three Tennis, and two golf. Building on this success, another Open House will be held on September 29 from 12:00 to 3:00 PM. This one will focus only on the Harbor Club and the Expansion Project, and will be geared toward past members, Fawn Lake non-member residents, and prospects that have expressed an interest in joining the Club.

You can help this effort by encouraging your friends/neighbors who are not yet members to come out and experience what our Club has to offer. If you send in a prospective member, please remember to have them enter your name as their sponsor on the Application Form to receive the referral bonus. Even though current members are not invited to this Open House, a tour of the Harbor Club Expansion will be part of the November meeting which is just two months away.

A frequent question is, how are we doing in attracting new members? The answer is quite nicely. The excitement of our expansion, the success of seasonal promotions, and the increased level of service in all areas, golf, tennis, and Harbor Club, have propelled total membership from 488 in July, 2018, to 527, in July, 2019. In fact, Social memberships hit an all-time high at 272 members. Golf is up 13 to 201, Sports up 1 to 20, and Tennis up 8 to 34.

Thanks for your support and patience during the construction phase, and for all you do to make Fawn Lake Country Club the best!

Respectfully,

**Your Board of Directors
