Board-O-Gram 2020-1

To FLCC Members & Staff:

The 2020 Fawn Lake Country Club Board of Directors is in place and ready to start a momentous year. The four newly elected board members announced at November's Annual Membership Meeting are Don Pressley, Leslie Hummel, Phil Basso and Jim Bost. The three remaining Board members are John Statler, Ron Ball, and Brett DeGallery. We are very thankful that each of these members are volunteering their talent, time and efforts for the betterment of our Club.

Don Pressley and his wife Sherry have owned a lot in Fawn Lake for over 23 years. Don's career had multiple executive leadership roles including over 25 years in the Foreign Service and 15 years as a partner and Senior Vice President for Booz Allen Hamilton. Additionally, he has served on multiple non-profit and Association Boards. They are fully retired since 2016 and their vision for the Club entails a "club so successful that more and more members of the Fawn Lake community naturally want to join". We are very fortunate to have Don and his wealth of experience as Treasurer for the Club.

Leslie Hummel and her husband Jeff have owned a lot in Fawn Lake since 1991. They have three wonderful daughters who have grown up in Fawn Lake and are just starting college. They have been Full golf members since the club began in 1993. Leslie has over 20 years of experience planning large meetings for both the non-profit sector and corporate meetings for American Express. Her vision for the Club is "a place where three different venues can efficiently operate serving both clients and members". Leslie will be serving as Harbor Club Chair.

Phil Basso and his wife Cheri have lived in Fawn Lake for over 12 years. They were lot owners for some 21 years before building in 2006. They have three wonderful children who also grew up in and around Fawn Lake. Phil is a retired Colonel from the USAF where his combined active duty and reserve time totaled almost 28 years. He is a pilot for United Airlines and his vision for the Club is “an institution that all residents of Fawn Lake would like to stay or become members, increasing the quality of life for the Fawn Lake community”. Phil will be serving as Tennis Club Chair.

Jim Bost and his wife have lived in Fawn Lake for over 22 years. Jim is retired from United Airlines and is an avid golfer who has served on the Green Committee for over 15 years. His vision for the Club is “I would like to make the Club the hub of activity in Fawn Lake, my hope is that current and future residents will make joining the country club a priority when living in Fawn Lake”. Jim will be serving as Secretary for the Board in 2020.

The new Board of Directors held their first meeting on January 6th.
