

LGA NEWSLETTER, MAY 2018

Our LGA golf season is in full swing. The weather has continued to create havoc from time to time. But, in spite of it, our golfers have soldiered on.

Many of us had some fun with a couple of new games this year. The “Eliminator” was a one best ball format per each threesome. Each player played their own game but each player had to provide one team score per every three holes. A second game called “It’s Your Turn” provided more than a few laughs as it was an alternate shot with only one ball being used per threesome. There was a lot of “I think it’s your turn”, “No, it’s your turn” and “Sorry, team, I didn’t mean to hit that bad shot”.

CHILD HELP TOURNAMENT APRIL 30

The Fawn Lake LGA, as in years past, had a good representation at the 12TH ANNUAL CHILD HELP TOURNAMENT played at Meadows Farm. Three LGA foursomes participated and the Fawn Lake Men’s Golf Association had two foursomes present. Weather was chilly at tee off but turned into a beautiful day. The only downside was “Cart Paths Only” on a hilly course.

Several LGA members were recognized at the luncheon following the tournament. Terry De-Troia won longest drive for the women. Candy O’Donnell took home the big raffle prize of a TV. Several others won smaller prizes.

Child Help is a charity that provides residential treatment facilities (villages) for children who have been removed from their homes due to abuse, neglect or are otherwise at risk. The group raises money for parties and events for the children. Many LGA members, as well as other people throughout Fawn Lake, volunteer at the Alice C. Tyler Village that is located in Lignum, VA. To name just a few, Jackie Burden and Judy Swarthout put backpacks together for each child's birthday and Ginny McGrath is in charge of the silent auction for their annual dinner dance fundraiser. Jackie Burden is also a "reading buddy". All the volunteers do their best to support these children and to show them someone cares.
