

## SEPTEMBER 2018 LGA NEWSLETTER

Sad to say, our golf season is nearing the end. It has been a great season although it has been frequently marred by that dreaded "GOLF CART ONLY" days. Only one LGA day has been totally canceled. However, due to last minute changes in aeration schedules (because of rain), no official game was planned for one LGA day. Instead, each group made their own game for the day.

One of those "Make Your Own Game" unofficial days, four 18 holers and three 9 holers braved the very wet conditions on the golf course. The four 18 holers made a decision on # 12, that lunch sounded better than finishing their round. The three 9 holers made it through their 9 holes and the whole group (7) had a "mud free" lunch.

The two day Club Championship was held on September 9 and 10. The weather, again, was very iffy with intermittent rain. On the second day, the tournament was ended after 9 holes because of heavy rain. Carol Pendry was the final winner of the Women's 18 Hole Championship for the second year in a row. Deborah McManus finished one stroke behind Carol but did win the Low Net Championship, also for the second year in a row.

Farmington Golf Club held an Invitational on September 11. Five of our Fawn Lake golfers participated in that invitational. Terry DeTroia, Caroline Orsini, Beth Trites and Becky Vance made up one team. Carol Pendry and four friends from other golf clubs made up a second team. Carol and her team captured the Low Gross prize. The other team had a very good time as evidenced by the photos below

Coming up: Closing Day 9 hole scramble, election of new officers and year-end awards is scheduled for October 17. Final day to sign up for Closing Day scramble and lunch is fast approaching - it is Tuesday, October 9.
