

LGA News

July, 2019

July has been a busy month for the LGA! The Member-Member and the Mid-Year Play and Stay were both played in July. The weekly Wednesday golf has continued to be well attended. The nine hole group, at times, outnumbered the 18 hole group although most of the time each group has nearly equal participation.

Our Member-Member that was held July 6-7 brought out 22 players. Seven teams of 18 holers and 4 teams of 9 holers endured two days of hot and muggy weather. We hope that in the future, the golf committee can assign a better weekend for that event. Many people had family visiting and others were vacationing out of town during that holiday weekend. Those who did play were treated to a light breakfast at the pro-shop and to a very nice lunch on Sunday at the conclusion of play.

The Wall of Fame winners were Becki Davis and Brenda Sites for the 18 hole group and Molly Fulton and Margie Stratford for the 9 hole division.

First Low Gross in the 9 hole division was won by Candy O'Donnell and Iris Thompson. First Low Gross in the 18 hole division was captured by Carol Pendry and Roberta Karch. Second Low Gross in the 18 hole division was captured by Caroline Orsini and Beth Trites. Second Low Net in the 18 hole group was won by the team of Lynn Manthei and Joan Schultz.

The 3 hole timed Putting Contest was won by Sandy Forville and Jan Macri. Closest to the Pin competitions were won by Candy O'Donnell, Lynn Manthei and Becki Davis. Closest to the Line Competitions were won by Carol Pendry, Ginny McGrath, Iris Thompson and Sharilyn Watts.

The Mid-Year Play and Stay 18 hole event became a 9 hole Scramble at the last minute due to the dangerous heat wave that has been hanging around Fawn Lake for too many days now. Twenty-three golfers braved the heat and most were happy it was only 9 holes. A very nice lunch and a short mid-year meeting followed.

Tied for 1st Place in the Scramble was the team of Terry DeTroia, Marsha Stumpf and Carol Rankin and the team of Caroline Orsini, Iris Thompson and Carol Gregory. Third Place was captured by the team of Lynn Manthei, Susan Bishop and Sharilyn Watts. The team made up of Debbie Sandstrom, Candy O'Donnell and Kathy Wanat took 4th Place. Closest to the Pin contest on #4 was won by newcomer Tasha Spencer and by Caroline Orsini. Carol Rankin and Pam Dixon were awarded prizes for being Closest to the Line on #6. Congrats to all!

Carol Gregory, part of the team with Caroline and Iris got away too quickly for photos.

This Wednesday, July 24, the 18 hole group will be playing Low Gross, Low Net while the 9 hole ladies will be competing in Best Ball.
