

# FAWN LAKE LGA NEWS

OCTOBER, 2019

Sadly, our LGA season has come to an end. It was a great season, very few days were cart paths only, and, as always, our golf abilities had its ups and downs but all in all it was a great year. A new Club Champion was crowned, Evergreen came to visit and brought 10 ladies for the Home part of "Home and Away". Closing Day took place on October 16 and Sadie Hawkins was canceled due to much needed rain.

Seven 18 hole women took part in the Sept. 21 & 22 Club Championship. Alas, there were no 9 hole golfers signed up this year. Hopefully, next year. At the end of the competition, Becki Davis was named the 2019 Eighteen Hole Women's Club Champion. Brenda Sites came in a close second. Roberta Karch was named the Eighteen Hole 2019 Net Club Champion. Congratulations to our winners. Becki and Roberta will both have their names engraved on the Fawn Lake "Hall of Fame" Plaque!

On October 2, 10 ladies from Evergreen Country Club came to Fawn Lake to complete the Home and Away event that was co-ordinated by Evergreen and by Becki Davis. Teams were made up of two Fawn Lake Ladies and two Evergreen Ladies. A shamble was the game of the day. The weather was very hot and humid, 97 degrees and 6 holes were cart paths only. A tough day but all survived and it turned out to be a fun day in spite of the conditions. The team that included Roberta Karch and Pam Dixon took 1st place, Caroline Orsini and Debbie Sandstrom's team came in 2nd and the team that included Becki Davis and Margie Stratford took 3rd. A nice lunch was served and awards were given out to conclude the day.

Next on the golf calendar was the two day Founder's Cup that was played on October 12-13. Saturday's competition was played at Keswick Country Club and the second day was held at Fawn Lake. Twenty golfers (a mix of men along with 6 women) made up the teams, one captained by Drew and the other by Garrett. At the end of the first day, Garrett's team was down y 10 points but they rallied on the 2nd day to end up only 2 points behind (after some recalculating). So, congrats to Drew and his Motley Crew of golfers for the win.
